## **Few and Far & Sol Collective Presents the Few and Far Two Year Anniversary Skate Jam**

Sacramento, CA (May 20, 2013) – Few and Far, in conjunction with Sol Collective, is excited to be presenting the Few and Far Two Year Anniversary Skate Jam on Saturday, June 1, 2013 at Granite (“Power Inn”) Skate Park in Sacramento, CA.

Open to all ages and abilities, activities begin at 12:00pm and include a female skate session, youth street art and graffiti workshop, and prize raffle, with music provided by DJ Esef. During the course of the jam, members of the Few and Far crew will be demonstrating live art and skateboarding. The non-competitive event, directed towards the participation and celebration of female skateboarders and artists, aims to showcase individual skills and talents within a positive and supportive community environment.

In October 2011, Few and Far’s All Female Skate Gathering was their inaugural assemblage of female artists and skateboarders, drawing participants throughout the West Coast and beyond. Building upon the successes and praise of the event, Few and Far is looking forward to once again rally together local and outside skateboarding and street art communities for a day of fun and camaraderie.
